

link_mod::constructor

```
graph LR; A[link_mod::constructor] --> B[container_mod::constructor]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'link_mod::constructor'. The right box is white with a black border and contains the text 'container_mod::constructor'. A dark blue arrow points from the right side of the gray box to the left side of the white box.

container_mod::constructor
