

source_identity::initsource

```
graph LR; A[source_identity::initsource] --> B[source_identity::printsource]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'source_identity::initsource'. The right box is white and contains the text 'source_identity::printsource'. A dark blue arrow points from the right side of the gray box to the left side of the white box.
